AVALIGN
Technologies

Integrated Medical Solutions (IMS)

Your trusted partner for precision machining of complex spine, extremity, and sports medicine implants for over 25 years

Design | Develop | Manufacture | Package | Deliver

Why Choose Avalign IMS?

- Significant experience with implant components and complex assemblies
- Implants such as spinal fusion and deformity hardware, suture buttons, fracture hardware, and bone screws
- State-of-the-art Swiss turning centers (37) with significant capacity for additional high-volume programs
- Machine, finish, color anodize, clean & passivate, laser mark … all in one location
- Immediate capacity available to support your next project

Your Trusted CDMO Partner

Avalign is one of the only CDMOs that can provide every aspect of an orthopedic implant system, including: Implants and Coatings | Fixation Devices | Complex Instruments | Cutting Instruments | German Specialty Instruments | Cases & Trays | Fully Kitted Implant Banks and Instrument Sets
